

## Experience

Ripple

Product Manager

*June 2015—Present*

- Delivered Admin API, a secure enterprise blockchain account configuration and management server application. Admin API is used for all production implementations of Ripple.
- Delivered Admin Console, a desktop application for account configuration and management. Admin Console is used for all pilot projects on Ripple and the wider developer community.
- Delivered internal compliance tools to meet regulatory reporting burden.
- Increased accuracy and reliability of Ripple Charts and Data API.
- Helped hone Interledger Protocol (ILP) behavior and spec.

Ripple

UX Product Designer

*January 2014 —June 2015*

- Reduced user errors and improved user experience for FX trading and account management in Ripple Trade.
- Designed first version of Ripple Connect and helped develop API spec. Ripple Connect is used in all enterprise implementations of Ripple.
- Researched and designed user account encryption and recovery.
- Researched, planned, and initiated cryptographic identity program.
- Helped develop product strategy and branding across company.

Inscopix, Inc.

Lead UX Designer

*March 2012—December 2013*

- Architected, designed, and delivered video acquisition software to interface with nVista flagship product. Process included user research, feature list, visual design, and managing development.
- Produced software and hardware support resources.
- Directed development of Mosaic analysis software by an external contractor.
- Organized design and development for website, including payment processing flow, wrapping in all stretch goals and coming in under budget.
- Designed, built prototypes, and delivered product packaging on time and within budget.
- Determined company brand guidelines. Applied those conventions to all visual assets, including software design and marketing materials.

Freelance

Web Design and Development

*October 2010—March 2012*

- Consulted for *Desmos* on user experience and visual design.
- Designed architecture and built websites for *Virgin Oceanic* and *Casa Loma College*.
